

Office Consolidation

This is a consolidation of the Town’s **Waste Collection By-law** being **By-law No. 5590-14, as amended**. This is an electronic reproduction made available for reference and information purposes only. It is not an official version of the By-law. Official versions of all by-laws can be obtained by contacting the Legislative Services Division at (905) 727-3123 or **clerks@aurora.ca**. If there are any discrepancies between this consolidation and By-law No. 5590-14, as amended, the By-law(s) shall prevail.

[By-law No. 5590-14](#), as amended by

By-law No.	Purpose	Date Enacted
6389-21	<ul style="list-style-type: none">To include “Tag” under section 1.1 Definitions;To amend section 4.16 Responsibilities and Restrictions to support the bag tag program for disposal of residential waste	Nov 23, 2021

The Corporation of the Town of Aurora

By-law Number 5590-14

Being a By-law for the collection of solid waste and recyclable materials in the Town of Aurora.

Whereas section 11 of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended, provides that a municipality may provide any service that the municipality considers necessary or desirable for the public and may pass by-laws respecting waste management;

And whereas section 11 of the *Municipal Act* provides that while waste management is the responsibility of the Regional Municipality of York, the Town is responsible for waste collection and may pass by-laws to regulate the collection of waste in the Town of Aurora;

And whereas the Council of the Town deems it necessary and expedient to repeal By-law Number 4931-07.E, as amended, and enact a new by-law to regulate matters relating to waste collection, removal, and disposal;

Now therefore the Council of the Corporation of the Town of Aurora enacts as follows:

1. Definitions

1.1 In this by-law, the following definitions and interpretations shall govern:

- (a) **“Ashes”** means the solid residue of any fuel used for heating or cooking purposes and cleaning from chimney;
- (b) **“Blue Box”** means a durable plastic Container distributed or sold by the Town for the Collection of Recyclable Materials;

- (c) **“Bulk Item”** means any Refuse that is listed in Schedule “A” of this by-law under “Bulk Items”;
- (d) **“Bundle”** means a bundle of magazines, newspapers, cardboard or waste paper which is securely tied with a non-metallic material and weighs less than twenty-two (22) kilograms, or a bundle of branches, twigs or cuttings, which is securely tied with a non-metallic material and which does not exceed 1.2 metres in any physical dimension and does not exceed twenty-two (22) kilograms in weight;
- (e) **“Collection”** means the collection of Refuse by a Contractor or the Town and includes delivery to a waste management facility or other site identified by the Director;
- (f) **“Composter”** means a retail or home-made unit of reasonable appearance and in a reasonable condition, or one that is distributed or sold by the Town, that is intended to accommodate and enhance the decomposition of organic materials into a compost soil or soil supplement;
- (g) **“Container”** means a receptacle used to place Refuse for Collection by the Contractor or the Town that meets the specifications and requirements set out in section 5 of this by-law, and includes a Bundle;
- (h) **“Contractor”** means any person, corporation, or individual with whom the Town has entered into a contract for the Collection of Refuse, and includes all employees, agents, or servants of such person, corporation, or individual.
- (i) **“Director”** means the Director of Infrastructure & Environmental Services, or his/her designate or successor;
- (j) **“Dwelling Unit”** means a room or a suite of rooms operated as a separate housekeeping unit, other than a hotel, motel, restaurant, industrial, commercial or institutional establishment, that is used or intended to be used as a domicile by one or more persons and that contains cooking, eating, living, sleeping and sanitary facilities;
- (k) **“Garbage”** means any Refuse that is listed in Schedule “A” of this by-law under “Garbage”;
- (l) **“Green Bin”** means a durable plastic Container distributed or sold by the Town for the Collection of Source Separated Organics;
- (m) **“Intermittently Collected Refuse”** means Yard Waste, Christmas trees or other Refuse identified by the Director from time to time;
- (n) **“Multi-Residential Premises”** means any structure designated by the Director and which is legally used or operated to accommodate multiple Dwelling Units;

- (o) **“Municipal Act”** means the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended or successor legislation thereto;
- (p) **“Non-Collectible Waste”** means any Refuse that is listed in Schedule “A” of this by-law under “Non-Collectible Waste” and any materials or Refuse that is listed as an acceptable item under the Ontario Electronic Stewardship program;
- (q) **“Recyclable Material”** means any Refuse that is listed in Schedule “A” of this by-law under “Recyclable Materials”;
- (r) **“Refuse”** means any object or material that has been discarded by any person or that is no longer in use or reasonably intended to be used by any person having ownership or control over such object or material;
- (s) **“Regularly Collected Refuse”** means any Refuse that is not Intermittently Collected Refuse or Non-Collectible Waste;
- (t) **“Source Separated Organics”** means any Refuse that is listed in Schedule “B” as a “Source Separated Organics - Acceptable Item”;
- (u) **“Town”** means The Corporation of the Town of Aurora;
- (v) **“White Goods”** means any Refuse that is identified in Schedule “A” of this by-law under “White Goods”; and
- (w) **“Yard Waste”** means any Refuse that is identified in Schedule “A” of this by-law under “Yard Waste”.
- (x) **“Tag”** means a sticker purchased from the Town for the purpose of being affixed to a Container. **(Amended per By-law No. 6389-21)**

2. Lands to which this By-law applies

- 2.1 This by-law shall apply to all lands within the Town of Aurora.

3. Establishment of a Collection System

- 3.1 A system is hereby established for the Collection of Refuse from persons and lands located within the Town of Aurora.

4. Responsibilities and Restrictions

- 4.1 Any person setting out Refuse for Collection shall place it at a location and in a manner that is in compliance with the provisions of this by-law.
- 4.2 No person shall set out Non-Collectible Waste, warm Ashes or liquids for Collection.
- 4.3 No person shall deposit, throw, or cast any Refuse on or in, or otherwise permit or cause Refuse to be deposited, thrown, or cast on or in:
- (a) private property without the expressed authorization of the owner or occupant of such property; or

- (b) any highway or other municipal property, unless done in compliance with all the provisions of this by-law, without express authorization from the Director, unless such Refuse is deposited into a public Refuse receptacle provided by the Town.
- 4.4 No person shall place any Refuse for Collection, or allow any Refuse to remain on lands and premises over which the person has control or where the person is an owner, occupant, lessee, tenant or mortgagee in possession, where such Refuse constitutes a nuisance or a hazard to members of the public, emits foul or offensive odours, or attracts or harbours vermin or insects.
- 4.5 No person shall keep a receptacle or repository for Refuse on the person's premises in a condition or location so as to cause a nuisance, or to emit foul or offensive odours, or to harbour or attract animals, rodents or other vermin or insects.
- 4.6 No person shall undertake composting unless:
 - (a) any composting material is placed in a Composter with a secure lid and the Composter is located in the backyard of a property;
 - (b) any Composter being used for composting be managed in a way to minimize any impact and/or nuisance, including offensive odours and vermin, to neighbouring properties;
 - (c) only suitable composting materials be placed within the Composter; and
 - (d) any genuine complaints received from neighbouring property owners or occupiers are addressed forthwith.
- 4.7 No person shall set out for Collection any Christmas tree unless it is free of all nails, wire, and decorations.
- 4.8 No person shall set out for Collection any material that is frozen to a Container and cannot be easily removed from the Container by shaking, and the Town or its Contractor shall not be required to Collect any Refuse that is frozen to the ground, or stored in a Container that is frozen to the ground, which cannot be easily detached.
- 4.9 No person shall place in a Green Bin items listed in Schedule "B" under "Source Separated Organics - Not Acceptable Items".
- 4.10 No person shall place Regularly Collected Refuse for Collection, except on such regular and recurring days as established by the Director and as permitted in this by-law.
- 4.11 No person shall set out Intermittently Collected Refuse for Collection except on such intermittent days as established by the Director and as permitted in this by-law.
- 4.12 No person shall set out White Goods for Collection except after 5:00 pm on the day immediately preceding the day for which a pick-up of such an item is

arranged with the Contractor or the Town, and no later than 7:00 am on the day for which a pick-up of such an item is arranged with the Contractor or the Town.

4.13 Every owner or occupant of a property, whose property is subject to Collection of Refuse pursuant to this by-law, shall ensure that:

- (a) Regularly Collected Refuse is sorted into appropriate categories of Refuse and placed for Collection in an appropriate Container as prescribed in section 5 of this by-law;
- (b) Refuse be set out for Collection in an organized manner and be secured to prevent material from escaping or spilling from its Container;
- (c) Containers are drained of liquid;
- (d) Recyclable Material is placed for Collection entirely within one or more Blue Boxes;
- (e) Source Separated Organics are placed for Collection entirely within one or more Green Bins;
- (f) Containers are set on a level, smooth, hard surface in a location that is easily and safely accessible for Collection and that the area surrounding Containers left out for Collection be kept clear of snow, ice or any other obstructions, including vehicles;
- (g) Containers be placed as close as possible to the curb or pavement edge without obstructing vehicular or pedestrian traffic or street maintenance, or at a location designated by the Director;
- (h) Containers are not placed on any part of a highway that is used by vehicular traffic;
- (i) Containers are not set out for Collection before 5:00 p.m. on the day immediately preceding the day designated by the Town for Collection from the property of the owner or occupant;
- (j) Containers be placed or set out for Collection no later than 7:00 am on the day designated by the Town for Collection from the property of the owner or occupant; and
- (k) Containers that have been set out for Collection by, or on behalf of, the property owner or occupant, be removed from municipal property no later than 10:00 p.m. on the day designated by the Town for Collection from the property of the owner or occupant, unless the Contractor or Town forces have yet to attend for the purposes of Collection from the property of such owner or occupant.

4.14 In any case of uncertainty or dispute in relation to the proper location for placing Refuse and Containers for Collection, the location shall be determined by the Director.

- 4.15 In any case of uncertainty or dispute in relation to what constitutes a unit to be serviced by the Town, how it should be categorized, or whether it falls within the jurisdiction of the Town, such matter shall be determined by the Director.
- 4.16 The number of items put out for Collection from any premises on any Collection Day:
- (a) shall not exceed three (3) Garbage bags without Tags and three (3) Garbage bags with Tags, for a maximum of six (6) Garbage bags in total;
(Amended per By-law No. 6389-21)
 - (b) shall not exceed a total of five (5) Bulk Items; and
 - (c) is unlimited, subject to subsections 4.17 and 4.18, in the case of Refuse that falls into the following categories and that is put out in accordance with all the requirements of this by-law:
 - (i) Recyclable Material;
 - (ii) Source Separated Organics; and
 - (iii) Yard Waste
- 4.16.1 Notwithstanding subsection 4.16(a), in case of a premise that is registered in good standing with the Town as containing a second suite dwelling in accordance with applicable Town by-laws, including the Town's second suite registration by-law and the Town's zoning by-laws, the number of items put out for Collection from such a premise on any Collection Day shall not exceed six (6) Garbage bags without Tags and six (6) Garbage bags with Tags, for a maximum of twelve (12) Garbage bags in total.
- 4.16.2 The owner or occupant of a premise that contains a second suite dwelling that is registered with the Town shall display a placard on the premise, unless otherwise exempted from this requirement by the Director. The placard shall be displayed on the premise in a conspicuous manner and in accordance with any direction from the Director. The placard shall be in the form and appearance as determined by the Director. Unless otherwise exempted from the requirement to display a placard, the exception under subsection 4.16.1(a) shall only apply if a placard is displayed at a premise as required herein.
- 4.16.3 Tags will be available for purchase from the Town upon payment of an appropriate fee or charge set out in the Fees and Charges By-law, or a successor by-law, as amended from time to time. **(Amended per By-law No. 6389-21)**
- 4.17 The quantity of any Refuse to be collected from any premise during any Collection may be limited at the discretion of the Director should the Director deem an amount that is put out for Collection to be excessive or unreasonable

in relation to the normal amount expected from other similar premises in the Town.

4.18 No person shall set out for Collection an excessive or unreasonable quantity of Refuse, in comparison to other premises of similar type, unless:

- (a) the Director is satisfied that such Refuse was generated on the premises from which it is put out for Collection;
- (b) the Director is satisfied that such Refuse was not generated as a result of construction activity;
- (c) the fee prescribed in the Town's Fees and Charges By-law for such a disproportionate Collection is paid; and
- (d) arrangements are made with the Town for such a disproportionate Collection prior to the material being put out for Collection and such a request, at the discretion of the Director, can be reasonably accommodated without incurring costs to the Town beyond those covered by the aforementioned fee.

4.19 Any person may contract at his own expense and at his own liability, for private collection and disposal of Refuse by using Containers or bulk containers from any premise. Such a person, and the owner of the property from which the collection is arranged, shall ensure that the private contractor is operating in compliance with the *Environmental Protection Act*, R.S.O. 1990, c. E.19, as amended, and any other applicable law, and that no hazard or inconvenience is created to any person by the storage or collection of such Refuse.

4.20 In the event that Refuse is set out for Collection other than in accordance with the provisions of this by-law or the material that is put for Collection does not fall into the category of Garbage, Recyclable Material, Source Separated Organics, Bulk Item, White Goods, Yard Waste, or is otherwise a material that is not permitted or collectable under this by-law, then the Contractor and the Town may decline to collect such Refuse or material and the Contractor and the Town will be relieved of any obligation or requirement to collect or otherwise manage any such Refuse or material. Any such refusal by the Contractor or Town to collect or manage Refuse or material is in addition to and does not limit any other remedy or penalty authorized under this by-law or any other applicable legislation.

4.21 No person shall convey, through any lands or streets within the municipal boundaries of the Town, any Refuse unless it is:

- (a) placed in completely covered Containers or in vehicles that are totally enclosed or covered so as to prevent any Refuse from falling upon streets or any other lands;
- (b) sealed from flies or vermin; and

- (c) placed in a manner, as far as possible, that minimizes the escape of any offensive odours.
- 4.22 No person shall set out for Collection or convey Refuse in a manner that will create a hazard to the public.
- 4.23 No person, without authorization from the owner of the Refuse or the Director, shall pick over, interfere with, disturb, remove or scatter any Refuse.
- 4.24 Any person may dispose of Refuse by delivering it, in accordance with this by-law, to an approved Regional Municipality of York disposal site or transfer station, or to a site otherwise designated by the Director, and depositing it in accordance with the rules and/or regulations of the Regional Municipality of York and/or any other applicable laws.
- 5. Approved Receptacles**
- 5.1 No person shall place Garbage for Collection unless it is contained in a waterproof plastic bag designed for the purpose of containing Garbage. Such a plastic bag may be placed in a rigid, waterproof receptacle that is either plastic or metal with a cover. Such a plastic bag shall meet the following parameters and requirements:
- (a) maximum size of 133 litres; and
 - (b) maximum weight, including Refuse, of twenty-two (22) kilograms.
- 5.2 No person shall place Recyclable Material out for Collection unless it is contained in either a Bundle or in a Blue Box that is a minimum of sixty-eight (68) litres and a maximum of eighty-three (83) litres in size.
- 5.3 No person shall place Source Separated Organics for Collection unless contained in a compostable bag or liner that is contained in a Green Bin and has a maximum weight, including Refuse, of twenty-two (22) kilograms and any tie or apparatus that serves to secure the lid of the receptacle is removed, unless it is a lock that is obtained from the Town.
- 5.4 No person shall place Yard Waste out for Collection unless contained in one of the following Containers:
- (a) a paper bag specifically designed for yard waste and with a width no greater than sixty-six (66) centimetres, a height no greater than ninety (90) centimetres and a maximum weight, including Refuse, of twenty-two (22) kilograms, with such a bag being durable enough to support the material contained therein when lifted without tearing and having the capability to be securely closed or tied when filled;
 - (b) a rigid, waterproof, durable receptacle that is either metal or plastic with two rigid handles to facilitate collection, not exceeding a diameter of fifty (50) centimetres, height of ninety (90) centimeters and weight, including

Refuse, of twenty-two (22) kilograms, with a Town issued sticker indicating "Yard Waste" firmly and visibly attached; or

- (c) Bundles, so long as any Bundle is only comprised of tree branches and brush and any branches/brush are individually no more than ten (10) centimetres in diameter.

- 5.5 Any receptacle placed out for Collection shall not be broken or break when lifted or manoeuvred.
- 5.6 Plastic bags shall not be used as a Container for Recyclable Material, Source Separated Organics or Yard Waste.
- 5.7 Notwithstanding anything in this by-law, in the case of Multi-Residential Premises, the Director may exempt or amend any requirements of section 5 and/or establish site specific requirements pertaining to Containers that may be used for setting out of Refuse for Collection.
- 5.8 Notwithstanding anything in this by-law, the Director may exempt, on any terms deemed appropriate by the Director, a person who occupies a residential Dwelling Unit from the requirements of section 5 regarding Container requirements provided that the Director is supplied with such information, forms and documentation, as deemed necessary by the Director, that will satisfy the Director that such an exemption is necessary and appropriate due to a disability, medical condition or another extraordinary circumstance.

6. Bin Replacement

- 6.1 Subject to the discretion of the Director, the Town will replace damaged Blue Boxes and Green Bins, provided that any such damaged bins are delivered by the owner or occupier of a premise located within the municipal boundaries of the Town, to a designated Town facility.
- 6.2 Blue Boxes, Green Bins, Composters, and other waste management items, as authorized by the Director, will be available for purchase from the Town upon payment of an appropriate fee or charge set out in the Fees and Charges By-law, or a successor by-law, as amended from time to time.
- 6.3 The Director may, at the Director's discretion, provide Blue Boxes and Green Bins at no cost or at a rate that is less than the rate set out in the Fees and Charges By-law.

7. Offences, Penalties and Enforcement

- 7.1 Every person who contravenes any provision of this by-law or an order of the Town issued pursuant to this by-law or the Municipal Act is guilty of an offence.
- 7.2 Any contravention of this by-law shall be deemed to be a continuing offence for each day or part of a day that the contravention remains uncorrected or an order of the Town issued pursuant to this by-law or the Municipal Act is not complied with.

- 7.3 All contraventions of this by-law or of orders issued by the Town pursuant to this by-law or the Municipal Act are designated as multiple offences.
- 7.4 Every person convicted of an offence under this by-law is liable to a fine as provided by the Municipal Act.
- 7.5 Where anything required to be done in accordance with this by-law is not done, the Director may, upon such notice as the Director deems appropriate, enter upon any land at any reasonable time and do such thing that was required to be done at the expense of the person required to do it, and such expense may be recovered by action or in like manner as municipal taxes.

8. Powers of Entry

- 8.1 The Town may, at any reasonable time, enter on any land for the purpose of carrying out an inspection to determine whether or not the following are being complied with:
- (a) this by-law;
 - (b) direction or order made pursuant to this by-law or the Municipal Act;
 - (c) condition of any permit or licence issued under this by-law; or
 - (d) an order made under section 431 of the Municipal Act.
- 8.2 For the purposes of an inspection under subsection 8.1, the person conducting the inspection may:
- (a) require the production for inspection of documents or things relevant to the inspection;
 - (b) inspect and remove documents or things relevant to the inspection for the purpose of making copies or extracts;
 - (c) require information from any person concerning a matter related to the inspection; and
 - (d) alone or in conjunction with a person possessing special or expert knowledge, make examinations or take tests, samples or photographs necessary for the purposes of the inspection.
- 8.3 The Town may undertake an inspection pursuant to an order issued under section 438 of the Municipal Act.
- 8.4 The power of entry may be exercised by an employee, officer or agent of the Town.
- 8.5 No person shall decline or neglect to give, produce or deliver any access, information, document or other thing that is requested by the Town carrying out an inspection.

- 8.6 No person shall hinder or obstruct or attempt to hinder or obstruct the Town, its employees, officers or agents from carrying out any powers or duties under this by-law.

9. Severability

- 9.1 If any provision of this by-law or the application thereof to any person or circumstance is held to be invalid by a court of competent jurisdiction, the invalidity does not affect other provisions or applications of this by-law which can be given effect without the invalid provision or application, and to this end the provisions of this by-law are severable.

10. Short Title

- 10.1 This by-law shall be known and may be cited as the “Waste Collection By-law”.

11. General

- 11.1 Section headings in this by-law are not to be considered part of this by-law and are included solely for the convenience of reference and are not intended to be full or accurate descriptions of the sections of this by-law to which they relate.

- 11.2 By-law Number 4931-07.E, as amended, By-law Number 5239-10, and By-law Number 5427-12, be and are hereby repealed.

- 11.3 This by-law shall come into full force and effect on the date of final passage hereof.

Read a first and second time this 24th day of June, 2014.

Read a third time and finally passed this 24th day of June, 2014.

Schedule "A"

Waste Material Classification	Garbage	Recyclable Materials	Bulk Items	White Goods	Yard Waste	Non-Collectible Waste
1. Biological						
a) Bio-medical waste						X
b) Carcasses						X
c) Pathological waste						X
d) Syringes and needles						X
2. Bulk						
a) Bicycles and parts thereof			X			
b) Carpets, rolled and bundled, 1.5 metres in length & 22 kg or less			X			
c) Carpets, greater than 1.5 metres in length or over 22 kg, or loose						X
d) Swimming pool filters and pumps			X			
e) Plumbing parts such as sinks, toilets and seats, bathtubs, fittings			X			
f) Furniture			X			
g) Mattresses and bedsprings			X			
h) Other household bulk items up to 45kg			X			
i) Other household bulk items greater than 45kg						X
3. Metal						
a) Pieces of metal weighing not more than 45kg and up to 1.2 m in length				X		
b) Pieces of metal weighing more than 45kg or more than 1.2 m in length						X
c) Metal food and beverage containers		X				
d) Steel barrels						X
e) Cars and car parts						X

Waste Material Classification	Garbage	Recyclable Materials	Bulk Items	White Goods	Yard Waste	Non-Collectible Waste
f) Wire, wire mesh and fencing weighing not more than 22 kg with a maximum length and width of not more than 1.2 m	X					
g) Wire, wire mesh and fencing weighing more than 22 kg or with a length or width exceeding 1.2 m						X
h) Propane tanks and fuel containers and cylinders						X
4. Yard Waste						
a) Brush and branches less than 10cm in diameter, tied in Bundles					X	
b) Brush, which is placed in an acceptable container as specified by the Director					X	
c) Leaf and yard waste, in an acceptable container as specified by the Director					X	
d) Grass clippings						X
e) Root balls					X	
5. Paper						
a) Boxboard		X				
b) Corrugated cardboard		X				
c) Drinking boxes		X				
d) Envelopes, direct mail advertising, paper egg cartons, greeting cards and remaining paper and paper products generated by households		X				

Waste Material Classification	Garbage	Recyclable Materials	Bulk Items	White Goods	Yard Waste	Non-Collectible Waste
e) Fine paper		X				
f) Hard cover books	X					
g) Laundry detergent boxes		X				
h) Juice, milk and ice cream cartons		X				
i) Magazines, catalogues and telephone books		X				
j) Newsprint		X				
k) Paper drinking cups		X				
l) Waxed paper, carbon paper	X					
m) Construction paper, kraft paper		X				
6. Plastics						
a) Clean sandwich, milk, bread and shopping bags	X					
b) Clear food packaging, baked goods containers, clear flexible bottles, blister packaging	X					
c) Blister wrap, bubble packaging, saran wrap	X					
d) Bottle lids	X					
e) Bottles and jugs, milk, juice, detergent		X				
f) Drinking cups	X					
g) Large mouth plastic tubs, margarine tubs, yogurt containers		X				
h) Pill bottles	X					
i) Beverage containers, soft drink and water bottles		X				
j) Stiff/crinkle type bags (potato chips, department store)	X					
k) Styrofoam food trays	X					
l) Toys	X					

Waste Material Classification	Garbage	Recyclable Materials	Bulk Items	White Goods	Yard Waste	Non-Collectible Waste
7. White Goods						
a) Air conditioners				X		
b) Dehumidifiers				X		
c) Dishwashers				X		
d) Hot water tanks				X		
e) Furnaces				X		
f) Refrigerators and freezers				X		
g) Stoves, ovens and microwave ovens				X
